Dear Friends and Supporters,

United Way is proud to be one of the most trusted and recognized nonprofit organizations—both nationally and right here in our community. Our iconic logo—the open hand beneath a vibrant rainbow—stands as a powerful symbol of hope, unity, and the collective compassion that drives our work to mobilize our community in creating brighter tomorrows for all.

For more than 70 years, United Way Tar River Region has been a catalyst for change in our community. Every day, we work to connect people, resources, and organizations to strengthen lives and build a more resilient and caring region.

We are incredibly grateful for the unwavering support from our community—individuals, businesses, and partners alike—who continue to believe in our mission. Thanks to your generosity, we have raised more than \$12 million over the past decade, directly impacting thousands of lives through local programs and services.

2024 was a year of meaningful progress and powerful partnerships.

Over 5,000 donors, 38 dedicated Board Directors, 300 passionate volunteers,

24 Community Investment Partners, 35 impactful nonprofit programs, and countless community allies have come together to drive change. Through this collaborative spirit, we continue to make a lasting difference—supporting critical services, improving lives, and strengthening our region.

Thank you for believing in the United Way model—a single, strategic point of giving that benefits multiple programs, agencies, and initiatives. Together, we are not only meeting needs, but creating opportunities, inspiring hope, and building a better future for everyone in our community.

With heartfelt appreciation,

Ginny Mohrbutter,
Executive Director

Jonathan Boone,

We proudly launched our **2024 United Way campaign** with a powerful kickoff event that brought together law enforcement, firefighters, faith leaders, businesses, nonprofits, donors, and volunteers—all united in support of our mission. The day began with the inspiring Ride 4 United Way, starting at the Rocky Mount Event Center and ending at the United Way office, where cheers greeted the cyclists and marked the spirit of collaboration.

Our United Way Executive Director, Ginny Mohrbutter, received the Distinguished Citizen of the Year Award, the highest honor from the Chamber! This prestigious award recognizes a community leader who has made a lasting, positive impact on the Rocky Mount business community.

Hosted by **United Way of North Carolina, the Spirit of North Carolina Award** honors organizations that exemplify community leadership through their United Way campaigns. This year's Eastern NC ceremony, held at Smith's Pavilion in Nash County, celebrated the impactful contributions of **Boddie-Noell Enterprises, City of Rocky Mount, Cummins RMEP, First Carolina Bank, Nash County Public Schools, PNC Bank, and Neill Nelson**. Keynote remarks by Jonathan Boone, Immediate Past Board President and Deputy County Manager of Nash County, along with Angela Gailliard and Jackie Lewis, United Way Board Chair and V/P Community Campaign.

A special thanks to our **Community Campaign VPs, Sheriff Cleo Atkinson and Jacquelyn M. Lewis**, for their leadership. Special thanks to the Rocky Mount Event Center, PNC, and to all who donated to our FUEL UP drive, supporting youth health initiatives - for making the event possible.

Louis Gay III, was the winner of the **Grand Prize Car Giveaway** during the Community Champions' Luncheon! The reverse drawing, generously sponsored by **Davenport Auto** for the past 15 years, added excitement to the celebration of the community.

The **United Way Community Champions' Award** was presented to the **2023 Tornado Responders, Supporters, & Survivors** who demonstrated resilience and strength in the face of adversity. These individuals embodied the spirit of survival and generosity during a challenging time.

A veteran, who has several mental and physical disabilities spent his days feeling depressed, and complaining to his wife and daughter about his life. His sister heard about The Wright's Center and decided she had to do something to get her brother out of the house each day. Upon his enrollment, he could see a light at the end of the tunnel. Currently, he looks forward to staying active and attending the Center every day.

2,083 PEOPLE IMPROVED THEIR HEALTH

A teenager at The Boys & Girls Club, was struggling with anger issues at school, leading to frequent conflicts with peers and teachers. A team member introduced her to anger management techniques, which allowed her to channel her emotions constructively. Today, her transformation extends beyond behavior to positively impacting her academic performance and social interactions.

95,730 PEOPLE WERE EMPOWERED

A stroke survivor could not do anything for herself a year before entering into United Community Ministries Shelter Program. She lost everything, her job and her home. When she came to the shelter, she had very low self-esteem and had no confidence in herself. She started helping out around the shelter in the office and kitchen learning responsibility all over again. She later obtained a job and moved out into her own place.

NC 211 PROGRAM

United Way Tar River Region began our local 2-1-1 Program in 2008 after a community-wide needs assessment indicated we needed a free, confidential, 24-hour per day, information and referral (I & R) program that would connect our community members with vital health and human resources. With the idea that information is powerful for our local citizens, we began this program across the twin-counties of Edgecombe and Nash, did all the database research, and partnered with United Way N.C. to access professional and highly trained I & R specialists operating out of a shared call center.

Since then, our local 2-1-1 Program has fielded thousands of calls and website visits that have connected our citizens with needed health and human service supports, increased access to resources & care, improved the health of citizens, and supported those after extraordinary situations, such as COVID-19, the QVC facility fire, and most recently, our July 19th Tornado. A total of 3,677 calls were made during the year of 2024.
Special thanks to our funder: ECU Health Foundation.

Emergency Food & Shelter Program

Our United Way continues to serve as the administrator for the National Emergency Food and Shelter Program (EFSP). The EFSP is a Federal program administered by the U.S. Department of Homeland Security's Federal Emergency Management Agency. Funding is based on unemployment and poverty rates in our community and helps provide essential emergency food and shelter, and Nash & Edgecombe counties. For Phase 41, we awarded funding of \$ 69,241. The EFSP Advisory Board, with Board Chair, Warren Stephenson, oversaw the distribution of these funds to community Local Recipient Agencies for both Phases include: *A Touch of the Father's Love, Christian Fellowship Homes, My Sister's House, St. Andrew's Church, Tarboro Community Outreach, The Mercer Foundation, The REACH Center, The Salvation Army, N.E.W., Truth Foundational Ministries, United Community Ministries.*
